Fracture is an award-winning design studio based in Auckland, New Zealand. We are growing quickly and we're looking for an experienced and talented Interactive Designer with a kick-ass portfolio to join our awesome team. This is a full-time position, but we will also consider skilled freelancers on contract basis.

We are basically looking for the best interactive designer in the world. This means anyone from pretty senior (3-5 years) right up to an interactive Art Director. Salary based on experience. Here's the guff:

You should be a creative thinker, driven by the desire to create the most amazing creative work possible. This means coming up with incredible concepts, and delivering visual design that is nothing less than world class. Obsessive attention to detail and a desire to innovate are key in this role.

You will also be required to work as a key member of a team and be able to communicate your ideas, and will be responsible for making sure the integrity of your concept and quality of design are maintained and improved through to the finished piece of work.

You will work with the Art Director, and will be expected to contribute ideas and be able to take direction and critical feedback.

You should have a genuine passion for the creative possibilities of the interactive industry, and be constantly pursuing new techniques and ideas.

A comprehensive knowledge of the Adobe Creative Suite is required. Experience with Flash, After Effects or 2D/3D animation is a major advantage. Experience with HTML and/or other coding languages will also be highly favoured.

We welcome all applicants who live in, or are willing to relocate to Auckland, New Zealand.

If you feel like you fit the description and your work is as good as (or better than) the work you've seen on our site, **please contact: [nick@fracture.co.nz](mailto:nick@fracture.co.nz) with the subject "Senior Interactive Designer"**.

No phone calls, no walk-ins, no recruiters. Please attach a link to your portfolio site, urls or PDF with your application.

Thanks very much!! We look forward to checking out your work.
