

Senior Flash Developer

Location: Auckland, New Zealand

www.fracture.co.nz

Fracture is an award-winning design studio based in Auckland, New Zealand. We are growing quickly and we're looking for an experienced and talented Flash developer to join our awesome team. This is a full-time position, but we will also consider skilled freelancers on contract basis.

We're after a creative thinker with a solid portfolio and a genuine passion for the interactive industry.

You should love trying new techniques and be driven by a desire to bring life and interaction to great design.

The ability to think conceptually, communicate ideas and work as part of a team are all key aspects to the role.

A comprehensive knowledge of Adobe Flash and the Creative Suite is required. Experience with animation (2D or 3D), After Effects, or other coding platforms are an advantage.

We welcome all applicants who live in, or are willing to relocate to Auckland, New Zealand.

If you feel like you fit the description and your work is as good as (or better than) the work you've seen on our site, **please contact: nick@fracture.co.nz with the subject "Senior Flash Developer"**.

No phone calls, no walk-ins, no recruiters. Please attach a link to your portfolio site, urls or PDF with your application.

Thanks very much!! We look forward to checking out your work.
